On 3/10/26 Telephone conference with Supervisor regarding FOIA, zoning matters, and removal procedures. At the time of this billing entry, what “removal procedures” were being discussed? Removal of whom, and under what authority? Was the matter ever discussed publicly at a Township Board meeting, or was the Board aware of the discussion?

Of note: 3/13/26 Telephone conference with Supervisor regarding vacancies in elected offices– At the time of this billing entry there were no vacancies on the township board. Residents may reasonably ask: What vacancies were being discussed? What prompted the discussion?

Residents may reasonably question whether township business is being directed through private discussions with legal counsel rather than through open board discussion and action.
